

## Cape Cod Chorale Adopt a Musician Fundraising Campaign for Spring Concerts

### Harmony for Hope and Resilience

Cape Cod Chorale (CCC) and Choral Art Society of the South Shore (CAS) proudly present the Adopt a Musician campaign — please join us in harmony. Our Spring 2025 combined concert, “Harmony for Hope and Resilience,” will feature a full orchestra comprised of 28 professional musicians and 2 professional soloists. A concert like this one (performed twice) is a mammoth undertaking, bringing together 100+ in the chorus and a substantial ensemble, renting auditoriums in two high schools, printing programs, etc. Producing great music is expensive but worth it. We hope you will “adopt a musician”, to help us bring Boston quality performances to Sandwich High School and Scituate Performing Arts Center. And parking is free!

#### Why Adopt a Musician?

**Nurture Artistic Excellence:** Your support contributes to the growth and development of our talented musicians (many of them graduate students), enabling them to refine their craft by playing repertoire new to them, and delivering exceptional performances.

**Impact and Recognition:** Your name or business will be featured in our concert program, showcasing your commitment to the arts.

**Lasting Legacy:** Your contribution helps ensure the sustainability of both CCC and CAS, preserving the opportunity to sing and perform beautiful community chorus music for future generations.

#### How it Works

**Choose Your Level:** Choose from Instrumentalist (adopting a musician), Section (adopting a section of the orchestra), or Conductor (adopting our Artistic Director & Conductor) levels of support.

Contribute to the campaign at your desired level, whether as an individual, family, or business sponsor.

**Celebrate Together:** Attend one of our Spring performances, May 3 or 4, celebrating the musicians' accomplishments and your shared passion for music.
